

Candidate Details

Ballot paper name	CLARKE, Donald
Candidate name	Donald Shane CLARKE
District	Shire of Denmark
Nominating for	Councillor for Shire of Denmark
Election type	Ordinary
Enrolment status	CLARKE, Donald is eligible to stand for election as a resident of the Shire of Denmark.

During my two years as a Councillor, I am proud of how our Council has prioritised collaboration, transparency, and sustainability. I want to use the experience and training I have gained to further this good work.

Denmark is in my blood; my great-grandparents came in 1898. Ary and I honeymooned here and then moved with 2 children 15 years ago. I co-developed and live in Deco Village co-housing.

After roles in academia, large enterprise consultancy and small business support, I have been involved with most parts of our community through full-time community service, including as treasurer for the Chamber of Commerce and Environment Centre, Denmark Arts festival manager, SES for 13 years and every parent role in football.

I am excited about working with fellow Councillors, Shire officers and our community in implementing an improved road program, heritage and reconciliation, accessible Ocean Beach public space, Peaceful/Nornalup facilities, and youth activity at Berridge Park and Turner Rd.
