

Candidate Details

Ballot paper name	GIBSON, Kingsley
Candidate name	Kingsley GIBSON
District	Shire of Denmark
Nominating for	Councillor for Shire of Denmark
Election type	Ordinary
Enrolment status	GIBSON, Kingsley is eligible to stand for election as a resident of the Shire of Denmark.

I have served as a Councillor for 6 years, being Deputy President for the last 2.

I am proud of our achievements over that time, including good financial management, developing a new Planning Strategy that'll protect the environment, support housing diversity, keep our village feel and foster tourism and the economy. We are spending more on roads, sensitively developing trails across the shire and we've begun the redevelopment of the Prawn Channel / Surf Club Precinct including toilets, better access for dog areas and protected bird habitat. We have a new cat local-law.

Going forward I want to maintain good governance and our environmental work, improve roads, deliver the surf club and Berridge Park developments. With our growing population we need better housing supply, more sporting facilities and targeted support, particularly for seniors and youth.

I am committed to open, honest, accountable government with decision making for the benefit of the entire community. Please vote for me.
