

FREE Showerhead Swap

Join the thousands of Western Australian households who have already made the swap.

Switching to water efficient showerheads could save you up to 20,000 litres of water each year. With our free showerhead swap program, you can exchange up to two of your old, inefficient showerheads for new WELS 4-star rated models.

Find your nearest swap location at
watercorporation.com.au/showerheadswap

Terms and conditions apply.

SWAP LOCATION:

Green Skills Office, Denmark

(Located behind the Denmark Environment Centre)
