- ▶ Demonstrated need or community benefit with achievable objectives and outcomes.
- ▶ Projects that benefit a sufficiently broad, or diverse, target group.

- ▶ Meets the funding category criteria.
- ▶ Completeness of application with budgetary details and supporting information (e.g. quotes or letters of support).
- ▶ Capacity of the group both financial and otherwise to deliver the project.

8. Application Assessment Process

- ▶ Applications for Community Grants will be assessed by a panel of Shire Officers. This is a competitive program, and not all applications will be successful. Your chances of success depend on how well you can demonstrate that your application meets the priority areas and assessment criteria.
- ▶ Applicants should answer all the questions provided with as much detail as possible. Your responses will enable the Assessment Panel to make their decision. When completing the application form consider how the proposed activity or project addresses the assessment criteria.
- ▶ All funding decisions are final and cannot be contested or appealed. Applicants are advised that canvassing of elected members will automatically disqualify their application from consideration.

8.1. Assessment Matrix

The Assessment Panel will assess each application's response to the funding criteria based on a scale of 0 – 4 as detailed below.

RATING	DESCRIPTION
0	Does not meet criterion
1-2	Fair: Partially meets criterion
3	Good: Meets criterion
4	Very good: Exceeds the criterion

8.2. Weight Rating

Applications will be weighed on a sliding scale as shown below.

Rating	Assessment	Funds allocated of total requested
High	Meets 90 -100% of the weighted criteria	100%
Medium	Meets 70-89% of the weighted criteria	75%
Low	Meets 50-69% of the weighted criteria	50%
Not Recommended	Meets less than 50% of the weighted criteria	0%

8.3. Project Ratings

A higher rating will be allocated to:

- ▶ Projects that address priority areas as outlined in the Shire's' Strategic Community Plan.
- ▶ Projects that meet a need or gap in service in the community.
- ▶ Projects that involve or support young people between the ages of 12 -24 years.
- ▶ Collaborative community-wide projects.
- ▶ Project with co-contribution funds (e.g. other grant source, cash, or in-kind contributions).

A lower rating will be allocated to:

- ▶ Projects previously funded will be given a low priority unless significant community benefit can be demonstrated.
- ▶ Projects duplicating an existing program/service.

8.4. Capacity to Deliver

- ▶ **There is no guarantee that successful applicants will receive the full funding amount requested.** The amount of funding awarded is dependent on the weight scoring of the application. For example, if an applicant requested funding of \$2,000 and received a weight scoring of 50%, they will only qualify for \$1,000 of funding.
- ▶ Applicants will also be assessed on their capacity to deliver the project with partial funding which may impact on the grant outcomes. **If you have answered NO at question 4.3** of the application form, indicating that you would not have capacity to deliver the project with partial funding, then your application will be rated **NOT RECOMMENDED**, and therefore unsuccessful.
- ▶ To increase your chance of success, consider alternate ways that the project could still be delivered. For example, the project could be delivered in stages, or you can consider a fundraiser activity to meet the funding shortfall.

14. Revoked Grant Funding

Where approved grant funding is not claimed by **31 May 2025** and the organisation involved has failed to submit the signed Grant Agreement and invoice, the Manager Community Services shall advise the organisation that their grant approval is revoked and that they should then re-apply in the following year.

15. Co-funded Projects

- ▶ Where a community grant is approved by Council for projects that are dependent upon funding from an outside source, e.g. Sport and Recreation WA; Lotteries Commission etc, and that funding application is unsuccessful or the level of financial assistance from an outside source has been reduced below that requested by an organisation, the organisation shall be required to demonstrate its ability to meet the funding shortfall.
- ▶ In such circumstances the Council will reassess the viability of the project and may, if project viability is not substantiated, revoke the grant approval. Those funds shall then be made available to other applicants.

16. Changes in Project Scope

- ▶ Where the scope of the approved project changes, applicants must first seek the approval of the Shire, to determine if the changes are deemed to be "substantial" and if a reconsideration of the grant funding is required.
- ▶ Request to make changes to project scope must be made in writing to the Manager Community Services at enquiries@denmark.wa.gov.au outlining the reason(s) for the change.

17. Acquittal of Grants

- ▶ The acquittal form will be sent to applicants with the Grant Agreement when funding applications are approved. A copy of the form is also available on the Shire's website.
- ▶ The completed acquittal report form including support documents in the form of receipts and up to 4 high-resolution photos must be submitted to the Shire of Denmark, **within 30 days of project completion but no later than 29 June 2025**.
- ▶ Balance of final payment for grants over \$3,000 to successful community organisations will be made once the acquittal document along with supporting documentation is provided.

- ▶ Failure to complete the acquittal by **29 June 2025** will result in those funds being forfeited irrespective of whether funds have been spent or committed by the organisation.
- ▶ Failure to acquit will disqualify the applicant from applying for future grants funding.
- ▶ Request to extend acquittal must be made in writing addressed to the Manager Community Services at enquiries@denmark.wa.gov.au outlining the reason for the extension.
